DETAILED ACTION

This is the fifth office action for U.S. Application 10/807,521 for a Hanger filed by Alvin Kaplan on March 22, 2004. Claims 1-8, 10, and 12-19 are pending.

Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 3 and 13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claims 3 and 13, Applicant claims the support element is "a solid disk". However, a portion of the support element is removed to allow the element to pivot to a co-planar position with the shaft, and therefore cannot be a solid disk.

Allowable Subject Matter

Claims 1, 2, 4-8, 10, 12, and 14-19 are allowed. The following is an examiner's statement of reasons for allowance: The prior art does not disclose a hanger in combination with a fabric article, with a hanging element disposed on the top end of a shaft and a support element at the bottom and extending outwardly therefrom, a fabric

article rolled around the shaft to form a cylinder, whereby the base supports the article in a vertical position, and there is a strap encircling the article.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
